IMPACT PERFORMANCE

Fund Update⁶

As of June 30, 2026, Global Partnerships Impact-First Fund 10, LLC (IFF 10) had active investments across five initiatives (listed on the following pages), facilitating access to opportunity in economic livelihoods, health, and housing. The fund continued to invest in social enterprises that serve people living below \$6.85 PPP/person/day.¹ Fund concentration in women- and rural-centered initiatives contributed to strong outreach to both female (84 percent) and rural (61 percent) clients,² who tend to be disproportionately excluded from access to opportunity. Since fund inception, IFF 10 investments have impacted an estimated 700 thousand lives,³ including 241 thousand impacted during the first and second calendar quarter. Global Partnerships (GP) and a subset of social enterprise partners use targeted, mobile-based impact assessments to better understand if and how those lives are improving. As of June 30, 2026, 22 of the active partners in IFF 10⁴ had completed such assessments, with surveyors speaking with 6,455 clients across 17 countries and five initiatives. While the types of outcomes vary by initiative, 89 percent of surveyed clients reported improved quality of life as a result of their engagement with IFF 10 partners.⁵
