IMPACT PERFORMANCE

Fund Manager’s Comments
As of March 31, 2021, Global Partnerships Social Investment Fund 5.0, LLC (SIF 5.0) had active investments across 9 initiatives, facilitating access to opportunity in livelihood creation, energy, health, and housing. The Fund continued to invest in social enterprises that serve people living below $5.50 PPP/person/day. Fund concentration in women and rural-centered initiatives contributed to strong outreach to both female (70%) and rural (48%) clients, who tend to be disproportionately excluded from access to opportunity. Since Fund inception, SIF 5.0 investments have impacted an estimated 6.7 million lives, including 303k impacted during the first calendar quarter. Global Partnerships (GP) funds targeted, mobile-based surveying known as Lean Data\textsuperscript{5} to better understand if and how those lives are improving. As of March 31, 2021, GP had completed Lean Data surveys with 7 of the active partners in SIF 5.0,\textsuperscript{5} speaking with 2,460 clients across 6 countries and 3 initiatives. While the types of outcomes vary by initiative, 89% of surveyed clients reported improved quality of life as a result of their engagement with SIF 5.0 partners.\textsuperscript{4}
