IMPACT PERFORMANCE

Fund Update⁶

As of June 30, 2023, Global Partnerships Social Investment Fund 6.0, LLC (SIF 6.0) had active investments across 12 initiatives (listed on the following pages), facilitating access to opportunity in economic livelihoods, health, housing, energy, education, and water. Fund investments during the second calendar quarter included a loan to a partner in our new Education Finance initiative, broadening opportunity in the portfolio of SIF 6.0. The fund continued to invest in social enterprises that serve people living below \$5.50 PPP/person/day.¹ Fund concentration in women- and rural-centered initiatives contributed to strong outreach to both female (73 percent) and rural (57 percent) clients,² who tend to be disproportionately excluded from access to opportunity. Since fund inception, SIF 6.0 investments have impacted an estimated 13.6 million lives,³ including 402 thousand impacted during the second calendar quarter. Global Partnerships (GP) and a subset of social enterprise partners use targeted, mobile-based surveying known as Lean DataSM to better understand if and how those lives are improving. As of June 30, 2023, 29 of the active partners in SIF 6.0⁴ had completed Lean Data surveys, with surveyors speaking with 8,618 clients across 18 countries and six initiatives. While the types of outcomes vary by initiative, 91 percent of surveyed clients reported improved quality of life as a result of their engagement with SIF 6.0 partners.⁵
